

Don't Be Without a Piano!

Low Prices and Easy Terms of Payment Enable You to Own a Good Instrument During the "Make-Room" Sale at Guild's

Many KNOWN QUALITY Pianos at unusually low prices are still to be had in Guild's "Make-Room" Sale. But it is very advisable that you investigate each instrument and make your choice early this week. Just the Piano you have in mind—as to tone, design and finish—is perhaps waiting for you here with a low price ticket that will make you feel fortunate that you came in.

You need not expect more than one instrument of a kind at these prices. Those we are offering are one-of-a-kind styles, some models that have been discontinued to give way to some slight change in design, demonstration instruments, etc.—but all of them actually worth the regular price as far as service and condition is concerned. So you should at least see them as early as you can. We will be glad to explain every detail to you.

The elder daughter of a family in which the pet of the household is an east at school, is hurrying to buy her spring suit and hat with a good margin of time before the Easter holidays. She means to be extra snappy. "Last year," she told me, "I postponed buying my spring clothes. Little sister came tripping home at Easter with all her old duds in her trunk, every garment worn to fiddle strings. She got my new suit. This year I'll arrive first. Father may howl at the bills, but it will be too late to put the brakes on my purchases."

The chiffon and lace pantalets that have struggled so long for a leg to stand on are now also firmly ensconced in favor and on nether limbs. The crinoline and full ruffled skirts of a moment have given them their great opportunity and they are making the most of it. These dainty confections are the truly feminine version of the trouser, at least they were, now that the males are due to don silken trousers themselves, however, who can say. Since this silken mandate of the Tailors association has gone forth there seems nothing to it but to prepare to listen for Hector's silken stride and the frou frou of Ferdinand's foot steps. So far the showing of these silken suits for the men have been confined to the sort of Palm Beach effects and summer suits of natural hued shantung and pongee. Suits of purest white silk are also shown and goodness knows the silken lengths they'll go before the season's over. After all, why bar the sterner sex from silk. They certainly have as much right to don panties of charmeuse or crepe de chine as the dear girls have to attain to trouser legs of tailored suiting.

The Art Department of the Topeka Federation of Women will meet Thursday with Mrs. A. O. Wellman, 1208 West Tenth avenue. Mrs. C. B. Van Horn will have charge of the program.

The following young people were entertained at a dancing party by Mr. Roswell L. Cofran, Jr.: Miss Inez Horner, Miss Nancy Miles, Miss Julie Hughes, Miss Rhea Robertson, Miss Ruth Hawkes, Miss Helen Hawkes, Miss Roine Rahn, Miss Gwendolyn Kramer, Miss Marian Squire, Miss

shades with rows and rows of brass cartridge buttons and gold cord loops. Even the chemise of fine mull, corded and trimmed with ball buttons, has a military suggestion.

The Child Conservation league will meet Tuesday afternoon at the home of Mrs. Thomas Hanson, reading, Miss Nannon Herren; paper, "Nature study through excursions into the field a vital necessity of public school work," Mrs. L. F. Vitis.

Among those who will take part in the St. Patrick's entertainment given by the Reading Circle this evening are: Miss Marie Monaghan, Miss Margaret McDonald, Miss Edna Noll, Mr. George Moffitt, Mr. Thomas Coffey, Mr. LeRoy Hardy, Mrs. Chas. POLICE JOTTINGS.

News of Interest From Topeka's Municipal Menagerie.

The week-end at the police station was unusually quiet. As a rule, the Saturday and Sunday "drunks" in Topeka are numerous and the officers are kept busy in preserving the peace.

Mary Floyd was arrested Saturday night by Officers Brush and Hannon on an assault bond. Lena Shepherd was arrested on that charge at the same time. Both are colored women and furnished bond.

Charles O'Brien was arrested Sunday by Officer Gragg on the charge of intoxication and furnished \$1 bond for his appearance in police court.

Judge Huron, who has been ill for several days at his home on Fillmore street with the grip, was unable to be at work this morning as he had intended. F. M. Laycock is police judge pro tem.

George Hayes, arrested by Officer Cook; J. Conley, arrested by Officer Brown, and H. C. McClellan, arrested by Cook, were fined \$10 each by Judge Laycock in court this morning for being drunk.

Granville Webb was arrested Sunday by Officer Cook. He is a colored man and is wanted in Miami on burglary charges. Webb has been turned over to the sheriff of Wabunsee county.

Consuela Valdez was arrested last night by Officer Albino and is held at the police station for investigation.

A policeman "has feelings" just the same as anybody else. The following poem is taken from Scoop and is entitled "The Cop":

When a felon's not engaged in his employment, Or musing his felonious little plans, His capacity for innocent enjoyment Is just as great as any honest man's. One with difficulty another When constabulary duty's to be done; Ah, take one consideration with another, A policeman's lot is not a happy one.

When the enterprising burglar's not a-burgling, When the cut-throat isn't occupied in crime, He loves to hear the little brook a-gurgling. And listen to the merry village chime. When the coster's finished jumping on his mother, He tries to be a-baskin' in the sun. Ah, take one consideration with another, The policeman's lot is not a happy one.

BACKACHE WARNS YOU TO WATCH YOUR KIDNEYS

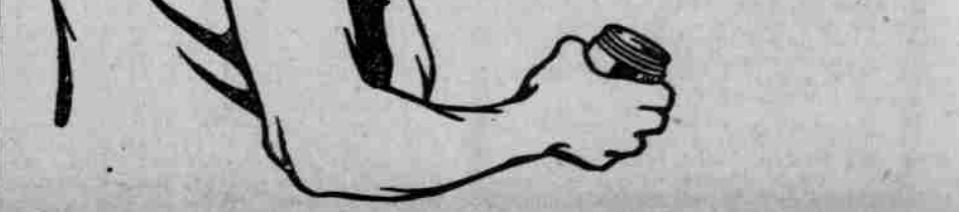

Do you feel tired and "worn-out"? Are you nervous and irritable? Don't sleep well at night? Have a "dragged-out" unrested feeling when you get up in the morning? Dizzy spell? Bilious? Bad taste in the mouth. Backache, pain or soreness in the loins and abdomen? Severe distress when urinating, bloody, cloudy urine? All these indicate gravel or stone in the bladder, or that the poisonous microbes which are always in your system have attacked your kidneys. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The oil soaks gently into the walls and lining of the kidneys and the little poisonous animal germs which are causing the inflammation are immediately attacked and chased out of your system without inconvenience or pain. Do not delay a minute. Go to your druggist and insist upon his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. In 24 hours you will feel renewed health and vigor. After you have cured yourself, continue to take one or two Capsules each day so as to keep in first-class condition and ward off the danger of future attacks. Money refunded if they do not help you. Ask for the original imported GOLD MEDAL brand and be sure of getting the genuine.—Adv.
